

YEARLY STATUS REPORT - 2021-2022

Part A

Data of the Institution

1. Name of the Institution

LOKMANYA TILAK MAHAVIDYALAYA,
WADWANI

- Name of the Head of the institution **Dr. Kishan Manohar Pawar**
- Designation **Principal**
- Does the institution function from its own campus? **Yes**

- Phone no./Alternate phone no. **02443257750**
- Mobile No: **9421441005**
- Registered e-mail **ltmwadwani97@gmail.com**
- Alternate e-mail **ltm_wadwani@rediffmail.com**
- Address **At.Post.Wadwani Tq.Wadwani
Dist.Beed, Maharashtra**
- City/Town **Wadwani Dist Beed**
- State/UT **Maharashtra**
- Pin Code **431144**

2. Institutional status

- Affiliated / Constitution Colleges
- Type of Institution **Co-education**
- Location **Rural**

- Financial Status **Grants-in aid**
- Name of the Affiliating University **Dr. Babasaheb Ambedkar Marathwada University, Aurangabad**
- Name of the IQAC Coordinator **Dr. Sanjay Bhagwat Salunke**
- Phone No. **02443257750**
- Alternate phone No. **9422471825**
- Mobile **9834496558**
- IQAC e-mail address **iqac.ltmw@gmail.com**
- Alternate e-mail address **sbsalunke75@gmail.com**

3. Website address (Web link of the AQAR (Previous Academic Year)) https://www.ltmwadwani.com/weblinks2022/3.Previous_Year_AQAR_2020-21.pdf

4. Whether Academic Calendar prepared during the year? **Yes**

• if yes, whether it is uploaded in the Institutional website Web link: [https://www.ltmwadwani.com/weblinks2022/IQAC_Academic_Calendar_2021-22_\(2\).pdf](https://www.ltmwadwani.com/weblinks2022/IQAC_Academic_Calendar_2021-22_(2).pdf)

5. Accreditation Details

| Cycle | Grade | CGPA | Year of Accreditation | Validity from | Validity to |
|----------------|----------|-------------|-----------------------|-------------------|-------------------|
| Cycle 1 | B | 2.03 | 2017 | 30/10/2017 | 29/10/2022 |

6. Date of Establishment of IQAC **20/07/2015**

7. Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,

| Institutional/Department /Faculty | Scheme | Funding Agency | Year of award with duration | Amount |
|-----------------------------------|------------|----------------|-----------------------------|-----------|
| NIL | NIL | NIL | 00 | 00 |

8. Whether composition of IQAC as per latest NAAC guidelines **Yes**

- Upload latest notification of formation of [View File](#)

IQAC

9.No. of IQAC meetings held during the year 04

- Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? **Yes**

- If No, please upload the minutes of the meeting(s) and Action Taken Report [View File](#)

10.Whether IQAC received funding from any of the funding agency to support its activities during the year? No

- If yes, mention the amount

11.Significant contributions made by IQAC during the current year (maximum five bullets)

1.The departments of Languages (Marathi ,Hindi & English) organized International E-Conference on Literature ,Culture & Media. 2.The Department of History organized a National level Webinar on the topic : Relevance of Thoughts of Mahatma Gandhi at present time. 3.The College Activity Committee participated in Village Cleanliness Drive with Wadwani Nagar Panchayat. 4.The Alumni Association organized Alumni Meet to interact with the student. 5.The Departments of Political Science and Public Administration organized Workshop of Village Heads of Police Administration (Police Patil Workshop) .

12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

| Plan of Action | Achievements/Outcomes |
|---|---|
| <p>To organize Webinars ,Seminars ,Conferences and Workshops on various topics.</p> | <p>1. The departments of Languages (Marathi ,Hindi & English) organized International E-Conference on Literature ,Culture & Media.2.The Department of History organized a National level Webinar on the topic : Relevance of Thoughts of Mahatma Gandhi at present time.3.The Departments of Political Science and Public Administration organized Workshop of Village Heads of Police Administration (Police Patil Workshop).</p> |
| <p>To introduce Add On Courses for curriculam enrichment.</p> | <p>Three Add On Course have been introduced by Department of Public Administration and English.</p> |

15. Multidisciplinary / interdisciplinary

The NEP-2020 has envisioned multidisciplinary approach and recommended that a multidisciplinary institution should not have only different departments but also have innovative and multi and interdisciplinary nature programmes to help widen learners thinking and learning capability and train them to address emerging challenges .The college provides multidisciplinary education across the streams of Arts , Commerce and Science. The college offers CBCS in UG programmes. The students have options to choose their Programmes , Courses and Subjects according to their talent and interest. The college offers flexible and innovative curricula that includes

credit based courses. The content of the university curriculum and the Add On courses designed by the college has interdisciplinary approach in designing the syllabi and curriculum delivery mechanism and promoting multilingualism in teaching and learning process to ensure the unity and integrity of all knowledge. The college organizes various community engagement activities for holistic and multidisciplinary Education. The college signs academic collaborations between various multidisciplinary institutes .

16. Academic bank of credits (ABC):

The NEP-2020 has proposed the Academic Bank of Credits (ABC) and gives scope of freedom in terms of students academic career choices. The ABC is paving the way for seamless student mobility student mobility through credit accumulation , credit transfer and credit redemption to promote distributed and flexible teaching and learning . The college will take appropriate measures to implement the guidelines of ABC . The college plans to create digital infrastructure to store the academic credits earned by students. The college is affiliated to Dr. B.A.M. University Aurangabad and located in rural area. The ABC flexibility will be very helpful to seek employment after any level of award and join back as when feasible to upgrade qualification and also curtail dropout and improve Gross Enrollment Ratio (GER). The ABC will encourage blended learning mode. The ABC method of credit transfer is inclusive and provides academic flexibility and opportunities of multiple entry and multiple exit .

17. Skill development:

The skills are very necessary for employability and inclusive growth. The college takes efforts to impart skill based education to students and organizes various professional and skill development , and career oriented activities. The college has introduced various Add On certificate courses for skill enhancement . The curriculum design of the courses is skill oriented. The syllabus is prepared by the college in consultation with experts from the respective field and institutions. The College organizes skill awareness and orientation programmes for students. The teaching learning process focuses on learner centric approach and adopt participative and new methods of teaching. The seminars /webinars on soft skills/life skills , career counseling and technology training are given to students. The students representation on various academic committees of the college helps to develop the leadership skill of the students. The

collaborative extension activities with NGOs and other institutions to develop the skills of planning, organising, decision making and team work. The faculty members develop their skills by joining and attending online and offline professional development courses. The college conducts various programs to imbibe value based education.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The college is committed for preservation and promotion of Indian knowledge, art and culture. The college has multilingual opportunities to learners as they can choose optional Marathi, Hindi and English language and these language courses are linked to culture and the three language formula is implemented. The admissions are open to students of diverse socio-economic and cultural background. The college takes various initiatives to foster language and culture and respect for diversity and for the local context. The college celebrates various unique festivals for national integration which are appreciating diverse art and culture. The faculty members use bilingual methods of teaching. The college forms Language Associations and organizes various online and offline activities that are aimed at to develop multilingualism and the linguistic competence and performance of the students. The Language Associations publish wall magazines periodically and organize invited talks of outstanding local expert lectures, poets meet, Meet the Writer and various competitions. The students are encouraged to develop artistic and linguistic creativity and rich treasure of the region.

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

An outcome based educational programme mentions clearly the ability of the student after completion of the programme, course or instructional unit. The college is an affiliated institute consequently it adopts the curriculum designed by the affiliating university. The university curriculum is designed taking into consideration of Programme Outcomes: POs and Course Outcomes: COs and Program Specific Outcomes; PSOs. The college has clearly displayed POs, COs, and PSOs on the institutional website for the stakeholders. The college organizes awareness programs about Outcome Based Education. The students counselling is done at the time of admission. The faculty members communicate POs, COs, and PSOs to the students in classroom teaching. The attainment of the is assessed through various kinds of examinations and tests.

20. Distance education/online education:

The college offers Bachelor of Arts B.A Distance mode UG Programme of YCM Open University Nashik Maharashtra for the needy students especially who are deprived of higher education due to different reasons. Taking into consideration the the rapid advances in the field of educational technology The college is planning to replace the traditional modes of pedagogy and introduce new ICT based educational initiatives to meet the current and future challenges in imparting quality education for all.. The college intends to increase the digital infrastructure and use multiple online e-learning and teaching platforms. The tools like two way video and interface for holding online classes and webinars in the pandemic period and open educational resources such as SWAYAM ,PG Pathshala. The faculty members attend online trainings and Refresher, Orientation and Faculty Development Programmes and Short Term Courses. The admission, examination, paper setting , assesment and result declaratiion activities are performed online.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The teachers and mentors identify the advanced learners and slow learners. The initial assessments of students learning level is done through the different methods at the department level on the basis of the basic test of competence, previous exam performance and observation of the teachers. For the classification of students their performance in class tests and participation in various co-curricular activities and continuous internal assessments is considered. The students are categorized as advanced learners, average learners and slow learners through the teacher's direct observation and the activities for slow and advanced learners conducted accordingly. The advanced learners are informed about online courses, encouraged to participate in various competitions, seminars, webinars, online Quiz, and Surveys and motivated to participate in various club activities. The personal counseling and remedial coaching and mentoring sessions are given to slow learners. The slow learner is provided special and individual guidance and opportunity for extended library use.

The Semester toppers and university rank holders are encouraged with certificates and cash prizes. The extra help outside the class is given to slow learners'. Remedial coaching and bridge courses are conducted for slow learners.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The college follows the curriculum designed by the affiliating university and is committed to its students learning and success. The faculty wise POs and COs are different and aimed at transformational learning that support students holistic development. The college has clearly stated Program outcomes, Program Specific Outcomes and Course Outcomes for all programs offered by the institution through website. The POs and Cos of respective courses are explained to the students by concerned teacher at the commencement of theory and practical sessions. The staff and students are made aware of the aims and objectives and

Program out comes through meetings, orientation programs. The POs are the statements that indicate student's ability after completion of program. The Cos are statements that describe what student should be able to do at the end of a courses. The vision, mission and objectives of the institution are clearly displayed on website, prospectus and at the main entrance of the college. The University Board of Studies organize workshops on new syllabus and give insights on Pos and Cos and objectives along with syllabus. The Pos and Cos are also reviewed by the stakeholders and suggestions regarding modifications are discussed in IQAC meeting.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college monitors the achievements of Pos and Cos. The course outcome is assessed through internal examination and final examination at the end of the semester. The results of the final examinations are used for the analysis of their attainment of POs and COs. The outcomebased approach adopts shift from teacher-centric to learner-centric pedagogies The attainment of Pos & Cos is assessed by using the time-constrained examinations; closed-book and open-book tests; problem based assignments; practical assignment laboratory reports; observation of practical skill. Teaching methods, guided by such a framework, may include: lectures supported by group tutorial work; practicum and field-based learning; the use of prescribed textbooks and e-learning resources and other self-study materials s; individual project reports ,case-study reports, team project reports; oral presentations, including seminar presentation; viva voce interviews; computerized adaptive testing; peer and self assessment etc. The result analysis is arranged at department and college level. The indirect method of assessing the attainment is used through student progression to higher studies, through the alumni connect and course exit survey. The feedback is collected from the outgoing students which helps to understand the genuine opinion of the teachers and students in COs attainment.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The vision of the college is to eliminate the darkness of ignorance by lighting the lamp of knowledge. The college strives to provide quality higher education to the socially and economically backward community that resides in the rural, hilly, drought prone area of the Beed district in Maharashtra. The college has a vision to empower the powerless and bring them into the main stream of the society.

Mission: 1.To impart knowledge and skills to the students 2.To inculcate moral values through education 3.To inculcate moral values through education.

The vision and the mission of the institution are highlighted upon the college website and prospectus and communicated to stakeholders. The nature of the governance is democratic, participative and decentralized. Keeping in mind the vision and mission statement the institute provides various opportunities for the holistic development of the students .The College Development Committee -CDC meets regularly to discuss the agenda related with the growth of the institution. The academic and administrative units of the college work with co-ordination to achieve its vision and goals. The management creates a healthy working atmosphere and even allows participating decision making process, where the staff members can present their suggestions and views.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The college has adopted Performance Based Appraisal System -PBAS to evaluate the regular performance of the teaching and non-teaching staff. The pro forma of the appraisal gives detailed information about the academic and extra-curricular contribution of the teacher the academic year. The self-appraisal reports of the faculty are verified confidentially by the Principal and give necessary suggestions for better appraisal for academic development. The IQAC of the college assess and validates the reports submitted by the faculty and validates the score. The remarks on the self-appraisal report are taken into consideration at the time of increment, promotion and Career Advancement Scheme (CAS). The mechanism self-appraisal helps the faculty to know the strengths and weakness, and to improve the performance. The performance appraisal reports reflect the contribution and efforts taken by the faculty to improve professional competency. The review of the performance appraisal reports is done by the principal and management. The faculty members whose performances are not up to the mark are given necessary suggestion for improvement.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The teachers and mentors identify the advanced learners and slow learners. The initial assessments of students learning level is done through the different methods at the department level on the basis of the basic test of competence, previous exam performance and observation of the teachers. For the classification of students their performance in class tests and participation in various co-curricular activities and continuous internal assessments is considered. The students are categorized as advanced learners, average learners and slow learners through the teacher's direct observation and the activities for slow and advanced learners conducted accordingly. The advanced learners are informed about online courses, encouraged to participate in various competitions, seminars, webinars, online Quiz, and Surveys and motivated to participate in various club activities. The personal counseling and remedial coaching and mentoring sessions are given to slow learners. The slow learner is provided special and individual guidance and opportunity for extended library use. The Semester toppers and university rank holders are encouraged with certificates and cash prizes. The extra help outside the class is given to slow learners'. Remedial coaching and bridge courses are conducted for slow learners.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The teaching learning process of the college is made student centric by using innovative teaching methodologies. The students are informed about learning outcomes, initially. The faculty members adopt participative pedagogical practices to promote active learning. The various methods of experimental and participative learning and problem solving are implemented to make sure that students are dynamic participants than passive recipients in the teaching learning process. Many subject enrichment co-curricular and extra -curricular activities are conducted such as Educational tours, industrial visits, field work, project work and practical. The projects are given on a particular subject under the guidance of respective subject teachers. The experiential learning develops the life skills such as team work, problem solving. The college organizes the sports and cultural events and NSS camp and workshops and formation of various literary Associations and publication of wallpapers ,The college has given representation of the students for decentralization of power and participate management on various college level committees such as IQAC, CDC, Student Council, Library Committee,. N.S.S., Sports, Cultural, Annual Magazine Committee. The office bearers of all associations, forums and clubs are appointed from students to organize the various activities.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The ICT is used for the planning and effective delivery of the curriculum. The teaching and learning process has been influenced by New Technologies, the application of digital tools and recourses have been increased in the field of

education. The teachers attend faculty development programs on online teaching and use E-Learning resources. The college has computer lab for collection and presentation of information. The use of ICT enriches the learning experiences of students and makes the teaching activity meaningful and effective. Besides the traditional methods and tools of teaching, the teachers use the IT enabled learning tools such as micro soft PowerPoint, in their teaching. The LCD projectors are available in seminar Hall and some classrooms. The college library provides internet access for students. The teachers inform students about e-sources and Open Educational Material that is free and open to all. The teachers use social media platforms, tools for online meeting applications like Google Meet, Zoom, Microsoft Teams, Whats App etc. The co-curricular activities like Quiz, discussions and webinars are conducted online. The teachers inform advanced learners to visit various websites. The use of ICT encourages Interactive mode and motivates large number of students to learn with their pace and time.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The college follows the curriculum designed by the affiliating university and is committed to its students learning and success. The faculty wise POs and COs are different and aimed at transformational learning that support students holistic development. The college has clearly stated Program outcomes, Program Specific Outcomes and Course Outcomes for all programs offered by the institution through website. The POs and Cos of respective courses are explained to the students by concerned teacher at the commencement of theory and practical sessions. The staff and students are made aware of the aims and objectives and Program out comes through meetings, orientation programs. The POs are the statements that indicate student's ability after completion of program. The Cos are statements that describe what student should be able to do at the end of a courses. The vision, mission and objectives of the institution are clearly displayed on website, prospectus and at the main entrance of the college. The University Board of Studies organize workshops on new syllabus and give insights on Pos and Cos and objectives along with syllabus. The Pos and Cos are also reviewed by the stakeholders and suggestions regarding modifications are discussed in IQAC meeting.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college monitors the achievements of Pos and Cos. The course outcome is assessed through internal examination and final examination at the end of the semester. The results of the final examinations are used for the analysis of their attainment of POs and COs. The outcomebased approach adopts shift from teacher-centric to learner-centric pedagogies The attainment of Pos &Cos is assessed by using the time-constrained examinations; closed-book and open-book tests; problem based assignments; practical assignment laboratory reports; observation of practical skill. Teaching methods, guided by such a framework, may include: lectures supported by group tutorial work; practicum and field-based learning; the use of prescribed textbooks and e-learning resources and other self-study materials s; individual project reports ,case-study reports, team project reports; oral presentations, including seminar presentation; viva voce interviews; computerized adaptive testing; peer and self assessment etc. The result analysis is arranged at department and college level. The indirect method of assessing the attainment is used through student progression to higher studies, through the alumni connect and course exit survey. The feedback is collected from the outgoing students which helps to understand the genuine opinion of the teachers and students in COs attainment.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The Institution has adequate infrastructure and physical facilities for teaching- learning and extracurricular activities, which are regularly maintained with established mechanism and augmented as per the requisitions. The college runs three U.G courses - B.A, B .Com and B.Sc. The college owns 3.0 acres of land. The college has classrooms 15 class rooms and 5 laboratories and one seminar hall and computer lab of 25 computers with internet facility. There is a separate library with adequate space, separate reading rooms, for staff and students and broadband internet connection for browsing information. The college has well-equipped seminar hall with ICT facilities. The canteen facility is available for refreshment. The college has set up laboratories for science faculty. The parking space for vehicles is available. The college has constructed ramp to meet the requirements of the student with physical disabilities. The common facilities available on the campus are- separate block for administrative office, spaces for special units like IQAC, Grievance Redressal unit, Women's Cell, Counseling and Career guidance, Canteen recreational spaces for staff and students, safe drinking water facility, s etc. The available space is optimally used.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college has developed well defined mechanism for maintenance and utilizing infrastructure facilities. The college has constituted the Maintenance and Up Keep Committee for renovation, alteration and improvement of the academic, research and support facilities. The decisions are taken in decided by the principal in CDC meeting. The budgetary provisions are made in annual budget for the maintenance of infrastructure .The management provides required funds and expert services from the outsourcing for repairs and maintenance. The annual maintenance contracts AMCS are signed with suppliers. The college has setup laboratories for science faculty and installed popular stabilizers, inverters for continuous power supply. The maintenance and utilization of the laboratory procedure are executed under the supervision of

HoDs. The college library cleaning is done by non-teaching staff. The library has mounted suggestions box for stakeholders' complaints and suggestions. The college takes regular up gradation of existing computers by purchasing hardware and software of latest configuration. The sports committee of the college takes a periodical review of sports facilities available and suggests some improvements. The college provides the ICT facilities for academic and administrative purpose and takes regular up gradation of existing computers by purchasing hardware and software of latest configuration.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The vision of the college is to eliminate the darkness of ignorance by lighting the lamp of knowledge. The college strives to provide quality higher education to the socially and economically backward community that resides in the rural, hilly, drought prone area of the Beed district in Maharashtra. The college has a vision to empower the powerless and bring them into the main stream of the society.

Mission: 1.To impart knowledge and skills to the students 2.To inculcate moral values through education 3.To inculcate moral values through education.

The vision and the mission of the institution are highlighted upon the college website and prospectus and communicated to stakeholders. The nature of the governance is democratic, participative and decentralized. Keeping in mind the vision and mission statement the institute provides various opportunities for the holistic development of the students .The College Development Committee -CDC meets regularly to discuss the agenda related with the growth of the institution. The academic and administrative units of the college work with co-ordination to achieve its vision and goals. The management creates a healthy working atmosphere and even allows participating

decision making process, where the staff members can present their suggestions and views.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college promotes a culture of democratic, participative and decentralized management. The top management provides academic leadership to the faculty in decision making bodies for effective implementations of the policies and plans and adopts participatory management policy to develop leadership qualities among the faculty members. The committee system of work is adopted for the inclusive management and for the distribution of work and to delegate power. The Principal appoints the faculty members on various committees' such as. IQAC, CDC N.S.S., Sports, Cultural, Exam, etc. and delegates power to work in their respective area to acquaint them with responsibility and accountability. The college encourages the faculty to participate in various research activities seminars and conferences.. The college delegates authority and provides operational autonomy to the heads of the departments. The IQAC cell of the college takes efforts to make the participative and decentralized management in quality enhancement activities. The college upholds the participative management at college level, departmental level, class level activities. Teachers, Nonteaching staff, Parents, Local Community and students and Alumni avail the chances to be part of management system. The participation and feedback of all stake holders is considered for effective management.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The college has adopted Performance Based Appraisal System -PBAS to evaluate the regular performance of the teaching and non-teaching staff. The pro forma of the appraisal gives

detailed information about the academic and extra-curricular contribution of the teacher the academic year. The self-appraisal reports of the faculty are verified confidentially by the Principal and give necessary suggestions for better appraisal for academic development. The IQAC of the college assess and validates the reports submitted by the faculty and validates the score. The remarks on the self-appraisal report are taken into consideration at the time of increment, promotion and Career Advancement Scheme (CAS). The mechanism self-appraisal helps the faculty to know the strengths and weakness, and to improve the performance. The performance appraisal reports reflect the contribution and efforts taken by the faculty to improve professional competency. The review of the performance appraisal reports is done by the principal and management. The faculty members whose performances are not up to the mark are given necessary suggestion for improvement.
